Kia Ora Parents and Caregivers

School is presently in full "production mode" with both students and teachers working very hard to put together an entertaining and rewarding show. As already indicated, the production will take place at the auditorium at the Karori campus of the VUW Faculty of Education on Monday and Tuesday 13 & 14 September, beginning at 7.00 pm.

Information regarding what time children need to be there

will be sent home soon. It is important to remember that children who have auditioned and gained major roles in the production have given an assurance to the school that they will be available for both nights of the production as well as rehearsals. We ask for your support in this matter. Tickets are available from the office at a cost of \$5.00 each. Entry to the production will be by ticket only for each person, including children, as we have very strict fire safety regulations that we must adhere to. This simply means no ticket no entry.

2011 School Organisation

From the beginning of term 4 the leadership team will begin the process of developing the school organisation for 2011. This includes class compositions and school structure. With our continued roll growth this is a challenging exercise and we ask that if parents are aware that their children will not be returning to Wadestown School in 2011 that they let the school office know as soon as possible. Your cooperation in this area is much appreciated.

Nut Free School

A general reminder that our school is a 100% nut free school as we have students for whom any close association with nut products can adversely affect their health in a very short time frame. Your cooperation here is much appreciated.

Road Safety

A reminder as to the intended way that the P2 area at the top of the Main School is meant to be used. Please do not park anywhere on the yellow lines and only use the P2 area as a quick drop off and pick up zone. Using these areas for other purposes puts your children and others at risk. It is adults that make these choices and we need to set an example of safe road practices to our

children. I am sure nobody wants to cause a nasty accident there.

School Yearbook

This year Wadestown School is producing a yearbook to record the fantastic year the students are having. The PTA is helping with its production and we are looking for a designer to lay out the pages. All content will be supplied and it is envisaged the yearbook will be 40 to 50 A4 pages. It needs to be completed by Labour Weekend. Can you help or do you know someone who can help? Please contact Jackie Gallagher at jackiegallagher@xtra.co.nz. Keep an eye out for the notice later in the year about ordering a copy of the yearbook. It will make a great grandparent Christmas present and memento of your child's year at Wadestown School.

Wellington Regional Science and Technology Fair

Wadestown School students won 14 prizes which was first equal for the most prizes for all schools. More details can be found at <http://www.sciencefair.org.nz/> Congratulations to the following students:

Izzy Krebs – Highly Commended, Wellington Medical Research Foundation, NZ Institute of Food Science and Technology

Lucas Toovey – Highly Commended

Nick Howie – Institute of Environmental and Science and Research

Jamie McClymont – Highly Commended, NZ Institute of Chemistry

James Collins – NZ Antarctic Society

Felix Latham – Highly Commended

Madeline Wilson – NZ Association of Optometrists

Toby Heitland – VUW School of Mathematics, Statistics and Operations Research, NZ Statistical Association

Matthew Robertson – Highly Commended, NZ Statistical Association

Also, **Logan Wu** and **Hannah Brandeis-McLellan** won Statistics New Zealand certificates for projects showing outstanding statistical analysis.

Year 7-8 St Mark's Sports Fixture

Last Thursday afternoon the Year 7-8 students played St Mark's in a sports fixture which was a great success and was enjoyed by all. The results were:

Soccer – Wadestown won 5-2

Rugby – St Mark's won 45-25

Netball – Green Team Wadestown won 18-1, Red Team St Mark's won 21-5

Hockey – St Mark's won 15-0

Year 5-6 Rugby Tournament

This tournament was held last Tuesday in very wet conditions. The team played with enthusiasm and energy although they didn't win any of their games.

Coming Events
