Drop Off Zone - Mairangi Road

This space is for dropping off and collecting **only**. It is **not** to be used for **waiting**. It is a free flowing space, and cars that are parked here create problems for the users of this zone. If you need to wait for your child please use a parking space further down Mairangi

Road or collect your students from the Park and Stride point where parking is available.

5 Minute Parking Zone

This designated parking space is for **5 minutes only**.

Please be *considerate* when parking here so other drivers also have the opportunity to use these limited parking spaces.

Wheels Licence

Students wishing to ride a scooter to and from school need to collect a Wheels Licence application form from the school office. Students need to agree to the conditions for riding a scooter. Once the licence has been

issued it needs to be displayed on the scooter or the student's school bag.

Road Patrol

Year 6 students volunteer their time and services to provide a safe journey for our children.

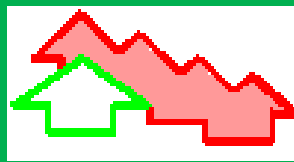

Please model appropriate road crossing practice and ensure you use the designated 'Kea Crossings', and follow the instructions of the road patrollers.

Park and Stride

The 'Park and Stride', was planned and implemented in conjunction with Wellington City Council, to avoid the congestion at the school entrance. Students dropped off at this point have a safe 300m walk along Mairangi Road to the school entrance. Students get some much needed fresh air and practise road safety skills, while also supporting our goal of getting as many students as possible walking all or part of the way to school each day.

Your promotion of this initiative is appreciated.

Travel Protocols - Weld Street

Keeping you updated about travel initiatives in our community

Kiss and Drop - mornings only

Drop off only
No Parking
Monday - Friday
8:30 - 9:00 am

A Duty Parent will open your car door whilst your child collects their bag and gives you a goodbye kiss. Your child should disembark from the car on the curbside.

2 Minute Parking Zone

Parking for 2 minutes
Monday - Friday
8:45 - 9:15 am
2:45 - 3:15 pm.
This allows for any morning drop-offs and afternoon pick-ups. Please respect residents rights.

Cecil Road Crossing at 3.00 pm

A Duty Teacher will cross your child at the Cecil Road crossing.

Bus Stop at 3.00 pm

A Duty Parent monitors the parent pick-up from down the bottom of the Cecil Road steps (opposite the Wadestown Kitchen).

One Way Traffic System for Weld Street

- morning drop off and/or afternoon pick-up.

Please drive down Weld Street and not up as this will ensure the safety of all our children.
