Kia ora koutou,

Today's newsletter is a bit of a 'bumper issue', so it might be best enjoyed with a hot cross bun and a hot cup of tea or coffee ...

It is hard to believe that we have reached the end of the term. The past 11 weeks have had their challenges but by pulling together as a staff and community we have done a stunning job of navigating it despite the added interruptions and uncertainty that Covid has presented. I am hugely proud of the work that has been achieved and the way all our students and teachers have continued to conduct themselves.

I want to acknowledge the outstanding work and support that our teachers and wider staff have given to our students this term. The Wadestown School team have worked tirelessly to ensure that our students have continued to be happy and engaged at school. You will see below, the announcement of our Year 8 Student Leaders for 2022 as one example of how the teachers have continued to ensure that our students have not missed out. I wish all our Year 8 students the very best as they navigate these new roles and responsibilities.

There has been a lot of positive feedback from the community about the school's communication over this period. Hearing that the daily Covid Updates were useful to a number of families meant that we were confident that this communication system was working for all. However, I also want to also acknowledge the quality of the communication that parents provided us with. At all times, you, our community, have been up-front and timely in your communication with us. Thank you for partnering with us in this way.

Learning that you have tested positive for Covid or that a member of your family has tested positive, often comes when we are least expecting it. And we have seen first hand, here in the office, the disappointment and shock that comes with this news as students have been told that they need to go home, with little or no prior warning. We appreciate that some of you have been particularly hard hit with Covid, and we will be here again in Term 2 to offer ongoing support for both our students and our whānau. For those of you who continue to manage Covid over the school holidays, our thoughts are with you all.

The announcement yesterday afternoon of the move to Orange brings with it some relief but also the need to review our systems and processes. We will continue to take a considered approach to what this will look like ahead of our return to school in Term 2. The Ministry of Education will continue to provide us with guidance with which we as a school and Board will be required to make decisions with, based on our local context. The good news is that there are aspects of school that we have really missed, such as whole school Assemblies, that we can resume again.

I wish you all a relaxing and restful break and look forward to seeing everyone back again at the start of Term 2.

Ngā mihi nui,  
Amanda Frater  
**Principal**

## Thank you to Helen Dammer

I just want to take a moment to acknowledge the additional work that Helen has put in while we have transitioned over from Lynda to Megan. At all times, Helen has remained cool, calm and collected and has not let anything get in the way of caring for our students and ensuring that the school has continued to keep ticking.

## Year 8 Student Leadership Positions for 2022

The Student Leadership programme at Wadestown School provides authentic opportunities for all of our 50 Year 8 students, with the aim of developing confident, organised, independent and reflective learners and leaders.

The focus of this term has been for students to work through a formal process of applying for the student-created leadership roles. Each student was given the opportunity to review their leadership skills and to reflect on their own strengths and areas for development, ahead of self-selecting the roles that they wanted to apply for.

Letters of application were eloquently constructed and all 50 candidates were put through an individual interview where they had to formally promote and talk about their personal strengths and the vision they have for the school. We are looking forward to supporting the big ideas and events that are being ambitiously and meticulously planned.

If you have any skills or connections that would support our student leadership programme please feel free to contact [cathrine@wadestown.school.nz](mailto:cathrine@wadestown.school.nz) to discuss any opportunities that could be available.

We are pleased to share with you all, our Year 8 Leaders for 2022:

## Year 8 Leaders in Action:

Year 8 students preparing for making public announcements. They have been learning about voice projection and how to use their diaphragm.

Our Heads of Kōwhai, Elsie Rumball-Smith and Bridget Murray, in action organising their first leadership event - the Kōwhai Easter Egg Scavenger Hunt.

## Upcoming Board Elections

2022 will see us having Board Elections and electing new members onto the Board in September. Now is a good time to start considering whether you would like to stand. Our current committee members are very approachable and would happily discuss with interested parents, what the role entails.

Further information about these elections will be shared over the upcoming months.

## Wellington Girls' College - Information Afternoon

Interested Year 8 students and their whānau are invited to attend a session with Anna Wilson (Acting Principal) on Thursday 26 May at 3:15pm to learn about College life. The talk will take place in our Rose Street Hall. This is an opportunity for students and their parents to learn more about the school and to ask any questions that you might have.

For those of you who cannot attend this information session, additional online sessions over zoom will be available as a follow up. Further details to follow.

## PTA Hot Cross Bun Fundraiser - Thank you for your support

We were delighted with the response to this fundraiser and the support that our community wrapped around our first PTA fundraiser of the year. Thank you to everyone who pitched in and assisted with making this fundraiser the success that it was.

## Road Safety - Mairangi Road

On Tuesday we identified that one of our Rose St Road Patrol poles has been backed into. This has meant that only one of the Road Patrol signs can be put out, thus reducing our ability to ensure the safety of our students while walking to and from school. Sadly, this is not the first time this has happened. If you know anything about this incident please drop Amy Maddock an email.

Our concern is that when damage such as this occurs (often as a result of poor driver behaviour) this puts our tamariki at risk. Conversations with the WCC and our local Community Constables are ongoing as we look to address this wider concern.

In order to keep our tamariki safe, we would **please ask that parents do not use the top of Rose Street as a turn around area and that all drivers are mindful of their behaviour when driving around this area.**

## Road Patrol - Parent Volunteers

Thank you to those parents who have volunteered their time this term to help with Road Patrol supervision - your help has been invaluable. If you would like to volunteer in Term 2, please email Amy Maddock on [amy@wadestown.school.nz](mailto:amy@wadestown.school.nz) as soon as possible.

The times are; mornings: 8:20 am - 8:50 am and afternoons: 2:45 pm - 3:15 pm. It would be great to have more parent volunteers participating in Road Patrol next term.

## Future Ferns Junior Netball for Years 1 and 2 - A message from our Netball Coordinator

I have three Year 8 coaches who have done a coaching course with Netball Wellington who are keen to coach the Juniors. I would need a parent to supervise the children while the coaches come over from Rose Street and aid the Year 8's for the session or we can create a parent roster. The cost is \$40 per player for the season. If you have a keen Future Fern please email Katy Pearce at <mailto:strawberry.fare@xtra.co.nz> for more information and registration details. It is a great way to have some fun and learn some ball skills.

**When:** Wednesday 3.15pm-4pm

**Where:** Weld Street School Term 2 (if enough interest) and Term 3 ending with a Fun Festival held on Saturday afternoon's of the 13th and 20th of August at Cardinal McKeefry School.

## Parents' Party - Save the Date: Saturday 18 June

Planning for the annual PTA Parents' Party at the Wilton Bowling Club is underway. The father's planning group have secured the date and are now planning other details of the event. This evening is a great way for parents to connect with one another.

## Winter Clothing Drive

Thank you for the contributions to this charity. We have already managed to fill two boxes and are continuing to keep an eye out for further winter clothing for children and adults who would otherwise go without this winter.

Thank you to those of you who have already contributed to this excellent cause.

## Keeping up Connections

While operating in our 'Covid regulation bubbles' the Year 7 students have had to find alternative methods to keep up their connections with the Rata students. They decided to use a traditional approach and hand write introductory letters to their new buddies.

The Year 3 and 4 classes planned ahead and constructed a selection of creative letterboxes ready for the arrival of their personally addressed letters. The process was returned, and pictured below are the Rata students posting their reply letters to their Year 7 buddies. The students can now look forward to building ongoing connections throughout the year.

## Student Writing - Room 11

The wonderful students in Room 11 have kindly shared some of their recent descriptive writing with us. One of the students who came to share his writing with me, was delighted to hear that he would have his writing published in today's newsletter.

### Apple

I see an apple in the bright tree,  
Red as the sun and bright like the sky, it shines.  
It smells fresh and ripe, ready to eat.  
I quickly climb to where my gift awaits  
and shake it down.  
It falls, quick like the wind.  
I clamber down to grab the apple.  
It feels hard as a rock  
and smells like a flush of water.  
I notice how red and neon it is.

When I bite down with a giant chomp,  
It's like a rock hitting my teeth.  
Drips slip down my T-shirt.  
I was right, it is extremely juicy.  
I open my eyes and see my half eaten apple.  
A smile grows on my face.

### **The Apple**

Apples ruby red and jade green.  
Shiny round apples  
with green brown stalks and lovely leaves.  
I see some dappled in mellow yellow.  
Bees buzz in my ears  
as I chomp through the smooth surface  
and juice floods my mouth.  
The apple's rough sweet taste fizzes on my tongue.

### **RUBY APPLE**

Sitting in a lush green tree was an apple.  
Red like a ruby,  
nestled cosily in branches.  
As I ponder, a smell begins to linger.  
Not boring like tar,  
but a wonderful, magical smell  
singing out to me,  
"I'm juicy and ripe!  
Come take a bite!"  
A hard sphere delicately perched in my palm.  
My mouth floods with a pop of taste and flavour.

## Wellington City Council School Holiday Programmes

### View Finders Photography Competition

During the April school holidays, we're running **View Finders** – a photo competition for tamariki and rangatahi aged 5-18. You can submit your original photos across three categories – *Nature*, *Whānau*, and *Objects or Books*, and there are heaps of awesome prizes to be won. Plus, all submitted photographs will be entered into a special exhibition that will take place after the holidays at libraries and community spaces across the city. Entries can be submitted online, or dropped off at your local library.

To find out more, and participate, visit [wcl.govt.nz/viewfinders](http://wcl.govt.nz/viewfinders). Special thanks to our friends at local photography business [Splendid Photo](#) for their support!

### The City Nature Challenge

Are you keen to contribute to real scientific research while getting out in nature with your whānau and having a great time? We've got the perfect solution for you – this year, the City Nature Challenge is returning in style for a massive [Bioblitz](#) from Friday 29 April to Monday 2 May. In the lead up to the Bioblitz, park rangers and other experts (including a few librarians!) will be leading nature expeditions to good flora and fauna-spotting locations around the city. Visit [wgtn.cc/CNC2022](http://wgtn.cc/CNC2022) to keep up to date with all the events!

### ComicFest: Comicify Your Life

What would your life look like if it were happening on the pages of your favourite comic book? In the lead up to [ComicFest](#) on the 7<sup>th</sup> of May, we're running a competition for aspiring artists of all ages during the April school holidays. Draw yourself as a comic book superhero, villain, or just an ordinary 'comicified' human, and be in to win a bevy of sweet prizes, judged and announced by some of New Zealand's most talented artists. Entries can be submitted online, or dropped off at your local library.

To find out more, and participate, visit [wcl.govt.nz/comicifylife](http://wcl.govt.nz/comicifylife).
